

# Scooter's Savory Dog Bones

Yummy, healthy dog treats you can make at home!

## Ingredients:

2/3 cup pumpkin puree  
1/4 cup peanut butter  
2 large eggs  
3 cups whole wheat flour

## Instructions:

Preheat oven to 350 degrees. Line a baking sheet with parchment paper.

In a large bowl mix pumpkin puree, peanut butter and eggs until well combined. Gradually add the flour until the dough is no longer sticky.

Working on a lightly floured surface, knead the dough until it comes together. Using a rolling pin, roll the dough to 1/4 inch thickness. Using bone shaped cookie cutters, cut out your bones and place them on the prepared cookie sheet.

Carefully place into oven and bake until golden brown, about 20 - 25 minutes.

Let cool completely and show your dog how much you love him.
